EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Thomas Douglas on February 2, 2010.
3. The application has been amended as follows:
4. In claims 42-49, line 1, please insert --storage-- between "a computer readable" and "medium".
5. In claims 42-44, line 2, please insert --storage—between "readable" and "medium".
6. The Examiner's Amendment has been made in order to comply with 35 U.S.C. 101 requirement and render claim 42 and all its dependent claims statutory. In particular paragraph [0101] in the published application recites that computer readable medium might include carrier waves, thus changing computer readable medium to computer storage medium vacates this problem by excluding any non-tangible media. Consequently, it is submitted that the above amendment places the application in a proper form for allowance.

Allowable Subject Matter

7. **Claims 1-23, 25-27, 31-36 and 38-49 allowed.**

8. The following is an examiner's statement of reasons for allowance:

As to claims 1, 11, 13, 20, 40 and 42, the prior art fails to teach a system and a method for monitoring domain name registrations wherein a requestor submits a request to monitor a specific domain name, then the registration database is searched in order to find potential matches and the registrant(s) utilizing that domain name receive a warning message indicating that the corresponding registrant has registered an offending registration.

As to claims 2-10, 12, 14-19, 21-23, 25-27, 31-36, 38, 39, 41 and 43-49, those claims are allowed by the virtue of their dependency on claims 1, 11, 13, 20, 40 and 42 respectively.

9. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Inquiry

10. Any inquiry concerning this communication or earlier communications from the examiner should be directed to ANGELA M. LIE whose telephone number is (571)272-8445. The examiner can normally be reached on M-F.
